

# Manhattan Training

April 18 & 19, 2019  
9.30am—5pm

\$395 early bird by March 29  
\$450 afterwards

## DAY 1: PREPARING THE BIOLOGICAL TERRAIN

Discover and experience the simple power of Theragem. Fusion Light Therapy. See changes in minutes with Heart Rate Variability monitoring, and learn how to apply together with other modalities, enhancing your skills and accelerating the wellness goals and the quality of life of your clients!

- Preparing the biological terrain with Elation & Spleen. You will receive both therapies.
- Symptomatic approach with advanced frequency settings such as MFG, BBL and Eternity
- Building the Healing Cycle
- Addressing and resolving physical, emotional and traumatic impacts.

## DAY 2: ACCELERATING THE QUANTUM UNIVERSE INSIDE YOURSELF

You will learn to map the Assemblage Point, understand how it relates to a wide range of emotional and physical conditions. You will also administer and receive a full Assemblage Point shift.

- Understanding the Assemblage Point
- Experiencing the Assemblage Point
- Theragem Assemblage Point Reconnection Procedure
- Questions and Answers

Upon completion of the seminar you will receive a certificate of attendance, following three written case studies, we will honour your hard work with the Qualified Theragem Therapist Certificate.

**INCLUDES: A WORKBOOK and ELATION, SPLEEN and ASSEMBLAGE POINT procedures.**

Where? Lower Manhattan, New York. Exact location provided to registered attendees.
